

Ralph E. Hicks
Senior Air Safety Investigator
AS-ERA

Date: 4/12/2023

Subject: ERA23LA160, Conversation with FAA Inspector Todd Clamp

Mr. Clamp reported that the CFI on the accident flight, Mr. Leo Berube, sustained fractured ribs in the accident involving N79VE.

Mr. Clamp also reported that neither Mr. Berube nor Mr. Morgan had recanted their statements regarding who was at the controls at the time of the accident.
