

RECORD OF INTERVIEW

Daniel P. Boggs
Air Safety Investigator
National Transportation Safety Board
Office of Aviation Safety - Eastern Region

Date: 5/15/2023 0830
Person Interviewed—Richard Low- pilot
NTSB Case Number: ERA23LA222

Narrative:

Mr. Richard Low was interviewed by telephone.

Mr. Low stated he and his wife, who is also a pilot, were practicing some full stop landings at night. His wife already completed 3 full stop landings and he completed two landings. This was going to be his last landing. During a soft field takeoff and night, he lost visual reference of the tree line and contacted some tree tops. The pilot reported no preimpact mechanical malfunctions or failures with the airplane that would have precluded normal operation.
