The following is an email from Mrs. Melinda Kunz, who is the pilot's (Dale Kunz) wife. She stated the following in response to Dale filling out the NTSB 6120.1 form or providing a written/verbal statement as to what happened during the accident.

"Leah,

Dale is not well enough to fill out the form, he has both aphasia from the crash and a traumatic brain injury from the crash and doesn't remember the actual crash. His aphasia has resulted in severe non fluency.
