

Ralph E. Hicks
Senior Air Safety Investigator
AS-ERA

Date: 8/2/2023

Subject: ERA23LA294, Correspondence with Pilot

The following is a summary of email correspondence with the pilot of OE-DSD, Sayyu Dantata:

Mr. Dantata did not check the box on the NTSB form 6120, page 10, asking if there was a mechanical malfunction or failure.

He replied via email that there was no mechanical malfunction or failure during the accident sequence.
