Subject: ERA23LA327, Inclusion of PWC Report No. 23-125 in the NTSB Public Docket

Contact: Michel Pitsikoulis, Service Investigation, Pratt & Whitney Canada Corp. [REDACTED]

On June 26, 2025, the NTSB Investigator-In-Charge (IIC) contacted Mr. Michel Pitsikoulis of Pratt & Whitney Canada to request permission to include PWC Report No. 23-125 in the NTSB Public Docket.

Mr. Pitsikoulis requested that the proprietary section of the title page be redacted prior to inclusion. The IIC submitted the requested redaction for review.

On July 2, 2025, Mr. Pitsikoulis approved the redacted version of the report for public release. The approved version has been included in the NTSB Public Docket accordingly.
