Date: 1/3/2024

Subject: ERA24FA077, Conversation with Joe Ceresa, North Coast Air, KERI

Mr. Ceresa reported that the pilot of N4209W, John Burley, was at North Coast Air on Friday, December 29, and purchased 24.5 gallons of 100LL fuel. The tanks were topped.

Mr. Burley asked for some tape and did not say what he was using it for. He was given a 2-ft-long piece of packing tape.

Mr. Burley comes in to North Coast 2-3 times per year.
