

MEMORANDUM FOR RECORD

Timothy W. Monville
Sr. Air Safety Investigator
Office of Aviation Safety-Eastern Region

Date: August 5, 2025

Subject: ERA24FA104

Subject: Pilot Flight Time

As part of the investigation, an Aircraft Insurance Renewal Application, dated January 23, 2024, unsigned by the accident pilot, was provided to the NTSB. The application associated with the accident pilot reported a total flight time of 1,218 hours, a Flight Review date of March 2022¹, and a medical date of August 2022².

¹ The day was not provided.

² The day was not provided. According to Federal Aviation Administration records, the pilot's last Third-Class medical was dated August 29, 2022. On the application for that medical the pilot reported having 850 civilian hours.
