

MEMORANDUM FOR RECORD

Timothy W. Monville
Sr. Air Safety Investigator
Office of Aviation Safety-Eastern Region

Date: December 9, 2025

Subject: ERA24FA262

Contact:

A review of two provided pilot logbooks revealed the first and last logged flights in the first and second logbooks were March 14, 1994, and December 5, 2022, respectively. There was no logged flight to or from CLW in either logbook. His total time and pilot-in-command time as of the last entry in the last logbook were about 1,079 hours and 960 hours, respectively. The last logbook reflected his passing a commercial checkride on March 16, 2022.
