

**MEMORANDUM FOR RECORD**

Timothy W. Monville  
Sr. Air Safety Investigator  
Office of Aviation Safety-Eastern Region

**Date:** January 12, 2026

**Subject:** ERA24FA104

**Contact:** Nancy C. and Joseph J. Miller

As part of the investigation, Nancy C. Miller and Joseph J. Miller, of [REDACTED] [REDACTED] Clearwater, Florida were met with and their impact damaged home was inspected. They provided a cellular phone number of [REDACTED] and an e-mail address of [REDACTED]

During an inspection of their home on February 2, 2024, about 1624 EST, a small section of the forward part of the right wing tip fuel tank with attached AeroLED, LLC Pulsar NS navigation and strobe lights, part number 11-1280-B-24-R, serial number 3820724-015, was found in the home (Figure 1). The combined weight was estimated to be between 2 and 3 pounds. It was retained for further examination.

Mr. Joseph Miller was lying on their couch and was the only person present in their home at the time of the accident. He did not see the accident and displayed a very large bruise on the upper portion of his right leg that matched the shape of a portion of the navigation and strobe light that was found inside the home. As a result of his injury, he went to a hospital, and several blood clots as a result of the impact injury were found. He was told to take baby aspirin.
