The following is an excerpt of an email from Mr. Alex Lopez of Aviator College in regard to a meeting we had on April 8, 2024, where I had suggested that he meet with his instructors and reiterate the importance of always being prepared to handle an emergency in flight.

"Hi Leah,

Regarding the meeting with the instructors, it went well. I emphasized the critical importance of always being prepared for emergency situations and stressed the significance of thorough training and adherence to safety protocols. The instructors were receptive, and we had a productive discussion.

I'll keep you updated on any developments and let you know if I hear from Derek. Please don't hesitate to reach out if you need any further information or assistance.

Best regards,

Alex Lopez"
