LOCATION OF DEPOSITION:

STATE OF NEW YORK

TOWN OF WALTON

On DATE 07/02/20 at TIME STARTED: 2:25 ☐ AM ☒ PM I, FULL NAME: Patricia M. Davila

STATE THE FOLLOWING:

I am giving this deposition to S/Inv. Michelle Marshall regarding an airplane crash that I witnessed on Sunday, June 30th 2024. I was outside my home at [REDACTED] in the Town of Walton cleaning my car shortly before 2:00p.m. when I heard a plane overhead. I heard the plane start to sputter so I looked up and saw the plane appeared to be traveling into the dark clouds that had formed. As I was watching the plane I heard the motor stop and the front end of the plane appeared to go further up in the air due to the wind, it then did a backwards flip and spun as it dropped behind the tree line. Shortly after that we heard what we believed to be the crash of the plane. I yelled to my husband and we started driving in that general direction. As we got closer we saw Emergency personnel who stated that they had received a call of a downed plane and were trying to find it. We saw a piece of what appeared to be part of plane on the edge of Herrick Hollow past Peggy Switch Road. We parked along the road and at approximately the same time emergency personnel arrived to the same area. We then drove around the area briefly to see if we could help locate the plane but we did not see anything.

State The Following:

My name is Aaron Strom and I am making this statement of my own free will.

I was at my residence located at [REDACTED] in the Town of Sidney Center around 1:55 pm. I saw a Cessna style plane going through dark rain clouds at low altitude. I watched it travel from Pine Swamp Road towards the ridge above Herrick Hollow Road. It went straight up into the clouds and inverted so the cockpit of the plane was facing the ground. The plane then dove into a cork screw downward plummeting towards the ground. It went below the ridge where I could not see it and I heard a loud explosion. I called 911 at 1:57 pm to report the crash.
