

Aaron McCarter
Aviation Accident Investigator

Date: July 13, 2024

Subject: AgPilotX Agriculture Spray Program Flight

Contact: Track Ashley Houston; Operator: Airworks LLC

This is a screenshot of the Google Earth flight track showing the last portion of the accident flight. Note the white areas are the preprogrammed fields for spraying operations. The raw tabular data resides in the docket.

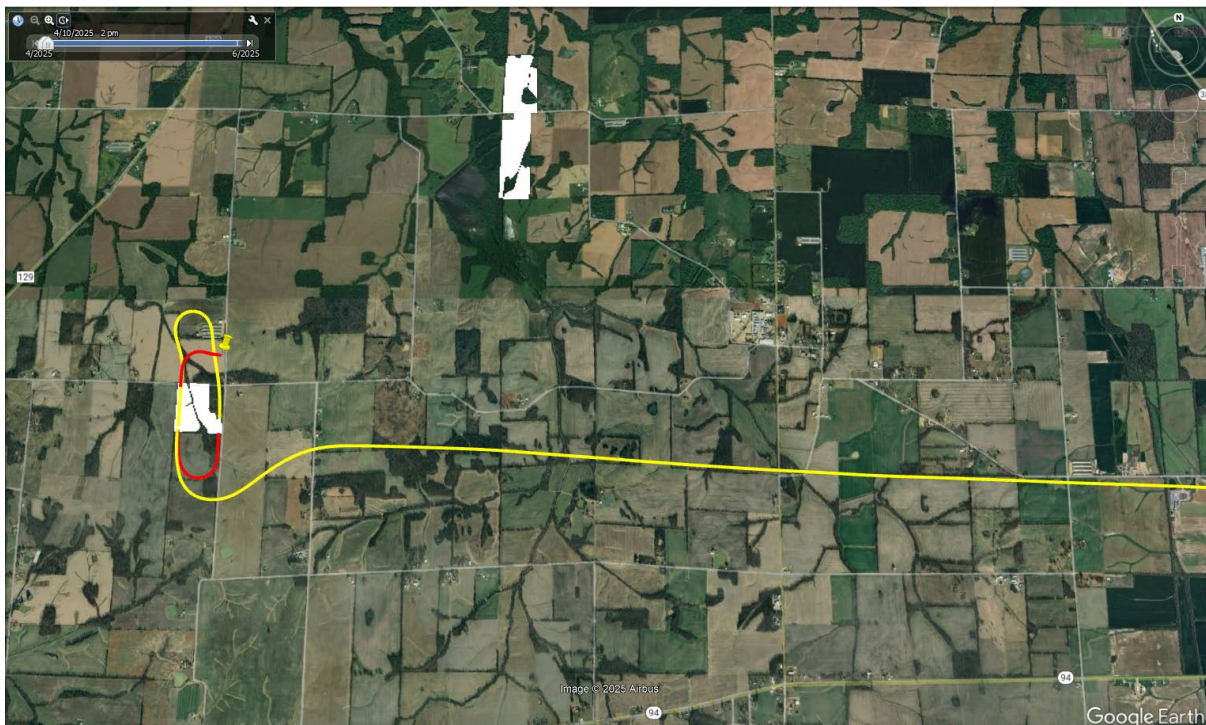

Figure 1 The flight track line is yellow, coming into the frame from east to west. The red line indicates the accident flight portion.
