

Memorandum For Record

Timothy W. Monville
Sr. Air Safety Investigator
Eastern Region

Date: 12/13/2023
NTSB Accident Number: ERA24LA019

As part of the investigation, the student was sent an e-mail asking for a copy of his statement. On November 7, 2023 at 0906 EST he provided the following, "On approach set up for landing per the checklist. Landed as normal. upon touch down we went a little bit side added in rudder correction and next thing I remember we were upside down."
