Subject: Follow-up conversation with the CFI to clarify 6120.1

Contact: John Alex Arevalio Zumaeta

On January 4, 2024, a phone conversation with the CFI was initiated to discuss the 6120.1 form responses. The following is a summary of the conversation.

I thanked John for submitting the form and informed him that I had a question regarding his responses. No response was entered for "Was there Mechanic Malfunction/Failure" with the airplane during the flight. John responded that there was no malfunctions or failures with the airplane during the flight.
