

Joshua Young
Air Safety Investigator
AS-ERA

Date: 1/8/2024

Subject: ERA24LA079, Helicopter Pilot Estimated Altitude

Contact: Kaelyb Stout, Pilot, Leading Edge Helicopters

Mr. Stout was contacted by the IIC on January 8, 2024, by email and was asked the estimated altitude of the helicopter when it struck the drone. He responded the same day stating "I believe I was at 200-300 indicated at the time of impact."
