NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

- take off time at 14A at 11:37 AM.
- went over training space passing Statesville Airport for training purpose (slow flights e.g.)
- after finishing manoeuvres decided to fly back to 14A
- experienced heavy, gusty wind
- reviewing weather condition and chose 14A - to land on 14
- after passing the tree line experienced heavy gusty crosswind and tried to land but couldn't land and decided to do a go around.
- last I remember was that I couldn't make the go around and hit trees.
- I apologise but still have a very vague memory - I hoped and worked on to avoid to hit houses or human
