ERA24LA211 (Apopka, Florida) Full Raw Engine Parameter Data Download Request

From Steven Smith [REDACTED]**Date** Wed 10/15/2025 3:26 PM**To** Joshua Young [REDACTED]**Cc** Christopher Babcock [REDACTED]**Email Report Instructions:**

The narrative and attachments from this email report may be used in other reports at the discretion of the IIC. This email, including attachments (if applicable), should also be placed in the docket by the IIC.

Email Report:

The Vehicle Recorder Division received a Garmin GDU 460 (S/N: 350011077). The device was downloaded, and a factual report was generated that contained the accident flight and one previous flight (on the docket as Cockpit Display - Recorded Flight Data - Specialist's Factual Report). The IIC has requested that the full raw engine parameter data download from the Garmin GDU 460 be placed on the docket. The full raw engine parameter data download (Email Report Attachment1 - Engine Tabular Data.csv) has not been modified and not all parameters have been verified by the specialist. This file will be uploaded to the docket as Email Report Attachment1 - Engine Tabular Data.csv.
