

MEMORANDUM FOR RECORD

Timothy W. Monville
Sr. Air Safety Investigator
Office of Aviation Safety-Eastern Region

Date: November 6, 2024

Subject: ERA24LA253, Flight Control Inspection Results

Contact: FAA Inspector David Stamps

As part of the investigation, inspector David Stamps who inspected the airplane at the accident site and also interviewed the pilot and passenger was asked to verify flight control continuity. He advised by e-mail, "Continuity verified on flight controls."
