

Joshua Young
Air Safety Investigator
AS-ERA

Date: 7/24/2024

Subject: ERA24LA275, Seatbelt use

Contact: Kyle Searsy, Pilot

Mr. Searsy was contacted via electronic mail and asked to confirm the type of seatbelt available and whether or not it was used during the accident. He responded on June 26, 2024 with the following:

"Yes, it has a combination of a lap belt and shoulder strap. The shoulder strap hooks onto the lapbelt at the connection point. I was wearing the seatbelt."
