

Eric Alleyne
Air Safety Investigator
OAS-Eastern Region Aviation

Date: 11/28/2024

Subject: ERA24LA296, METARS

Contact: NTSB IIC

The METARs below are from the nearest airport to Lafayette Municipal Airport (3M7), where the accident occurred, located 19 nautical miles away. Although wind gusts were not forecasted, Music City Executive Airport (XNX) was used for investigative purposes.
