

Investigator Name: Brian C. Rayner  
Title: Senior Air Safety Investigator  
Division: AS-ERA

**Date:** 09/06/2024

**Subject:** ERA24LA329 Moultonborough, NH, NTSB Form 6120.1

**Contact:** Richard Brown - FAA Inspector - Portland, ME FSDO

Mr. Brown was the FAA inspector assigned to this accident investigation. He examined the wreckage, aircraft and pilot records, interviewed the student pilot and his instructor, took photographs, completed a comprehensive Inspector's Statement, and provided all this information to the NTSB.

Excerpted from a lengthy email chain is the following from Mr. Brown:

*Both flight instructor and operator stated there was nothing wrong with the aircraft.*
