The following are excerpts from an email exchange with the Chief Flight Instructor at Wayman Aviation.

"...route of the flight would have been KHWO-KIMM-KSEF-KHWO for N734BH on the day of the incident, also the pilot did not sustain any injuries at the time of the incident. The airplane was equipped with a three point fixed strap restrain. The aircraft is not equipped with any inflatable restraint."

"Yes he was using the restraint at the time of the incident."
