Contact: Chuck Jarvis, Manager, DivCo, Inc.

DivCo, Inc. is a certified aircraft crankcase repair facility that repaired the accident airplane's crankcase on March 30, 2012. During a telephone conversation on October 21, 2024, a DivCo manager, Mr. Chuck Jarvis, stated to the IIC that a checklist is provided among the certification and repair paperwork that is sent with the crankcase to the owner. Two of the checklist items are "clear oil galleys & holes" and "re-clean before assembly" refer to photo1.
