

MEMORANDUM FOR RECORD

Daniel Boggs
Air Safety Investigator
Eastern Region

Date: 4/29/2025
Subject: Interview with the maintenance facility owner.
NTSB Case Number: ERA25FA185

Mr. Justin Wright was interviewed by telephone.

Mr. Wright is the owner of Full Stop Aviation and took care of N530RH as well as other MXS airplanes.

Mr. Wright stated that Rob Holland, pilot and owner of N530RH worked with the Australian aircraft company to build this custom MXS airplane to his specifications. This was a highly custom airplane with many modifications.

Mr. Wright stated that two weeks prior to the accident, Rob was invited to Arizona by Jim Bourke, to come out and help adjust some of the counterweights on his MXS airplane to make it fly like Rob Hollands airplane, Mr. Bourke wanted it to fly the same as N530RH.
