

Joshua Young
Air Safety Investigator
AS-ERA

Date: 8/3/2026

Subject: ERA25LA023, Witnesses

Contact: Ben Vost, Aviation Safety Inspector, FAA

The NTSB IIC reached out to inspector Vost, as he was one of the inspectors who was on scene of this accident the day after it happened, and requested information of any witnesses to the accident. He reported that there were no witnesses to the accident.
