

Daniel Boggs
Air Safety Investigator
Eastern Region Aviation

Date: 11/20/2025

Subject: ERA25LA055, Pilot statement

Jack Hurdle was interviewed by telephone.

Mr. Hurdle, pilot, stated that he was flying around his home airport when he landed hard on the grass runway and the left landing gear collapsed resulting in substantial damage to the upper left wing and lower right wing. The pilot reported no preimpact mechanical malfunctions or failures with the airplane that would have precluded normal operation.
