

MEMORANDUM FOR RECORD

Daniel Boggs
Air Safety Investigator
Eastern Region

Date: 7/12/2025
Subject: Chance Frank
NTSB Case Number: ERA25LA198

Mr. Chance Frank, MGR Atlanta Air Recovery

Mr. Frank stated that his team of recovery personnel found the air discharge duct beside the airplane. He believed it was found under a wing but cant remember exactly were it was. The duct was then placed inside the airplane for transport and storage.
