

MEMORANDUM FOR RECORD

Daniel Boggs
Air Safety Investigator
Eastern Region

Date: 7/29/2025
Subject: Download of engine control unit (ECU)
NTSB Case Number: ERA25LA198

On July 24, I had the recovery company remove and send the ECU to me. I have the software and dongle cable to download the ECU. On 7/29/2025 I downloaded the ECU and then sent the ECU back to Atlanta Air Recovery to be stored with the aircraft.
