Description of Damage to Aircraft and Other Property (Use additional sheet, if necessary.)

There was no damage to anything on the ground. The airplane suffered a busted windshield, damage prop, damaged motor mount and cowling, crushed VStab, bent Left wing, and creased tail section between the fuselage and empennage,

NARRATIVE HISTORY OF FLIGHT (Please type or print in ink.)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

I had dropped 150TP off for its annual on 6/21/25. I retrieved 150TP on 6/29/25 after the annual was completed. The plane was at Pickens County Airport (KLQK) for the annual inspection.

My plan was to fly from KLQK to SC82 with one landing at the grass strip where the incident occurred.

I was on a stabilized approach to the grass strip, but a little fast. I added all of the flaps on final to slow the plane. I touched down 1/3 down the runway, but hit a high spot about 1/2 down the run way. At that point, the grade of the runway steepened downward, so I had to weigh my options. I could dump the flaps, push in carb heat, and try to go around, or I could slow the plane down as much before a certain runway excursion. I chose the second option due to the power lines and trees at the end of the runway.

As I approached the end of the runway, I still had too much energy, so I made the decision to flip the plane to arrest the forward motion. That is why I ended up inverted.

Let me know if you need any further explanation.

OPERATOR/OWNER SAFETY RECOMMENDATION (How could this accident/incident have been prevented?)

I should have visited the strip before landing. I would have seen the bumps and the downslope of the field. Having known this I would have landed in the opposite direction (uphill), since wind was not a factor.
