Subject: ERA25LA256, No 6120.1 Form Received

On July 24, 2025, the IIC emailed a copy of the NTSB pilot/operator aircraft accident/incident report form 6120.1 to the pilot of the accident airplane with a due date of August 7, 2025. No reply or 6120.1 form was received. A reminder email was sent on August 13, 2025, again no reply was received. A final attempt was made to obtain the NTSB form 6120.1 on September 22, 2025, with a due date of September 30, 2025. Again, no reply or form was received. As of the date of this memorandum no reply or 6120.1 form has been received by the IIC, and the investigation is being concluded without receipt of the form from the pilot.
