NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

Passengers Merce Camprubi Montal, Agustin Escobar Cañadas and 3 children checked in approximately at 14:16, identification was collected. Weights were taken for Merce Camprubi Montal, Agustin Escobar Cañadas and 3 children. Passengers were seated in our waiting area. At approximately 14:43 passengers were fitted with life vests and watched safety briefing video. Once safety briefing video ended, passengers were verbally safety briefed, a second time, at approximately 14:46 by a ramp agent. Passengers Merce Camprubi Montal, Agustin Escobar Cañadas and 3 children were escorted to aircraft N216MH and assigned to their seats, at approximately 14:50. N216MH departed (flight #8) from JRB at approximately 14:59 with 5 passengers, total weight: 582 pounds on a 20-25 minute Grand tour. At approximately 15:15 pilot Johnson radioed to JRB base that he was 5 minutes out. JRB base confirmed that he would have 4 pax on a bravo (17-19 minute central park tour, flight #9) total weight: 717 pounds. Pilot confirmed that he would need fuel in order to complete flight #9. At approximately 15:17 JRB base noticed that N216MH was no longer moving on radar. After multiple attempts to refresh the radar page, and no movement by N216MH, JRB base called the Chief Pilot at approximately 15:20 to request that he try to locate N216MH on another radar since N216MH still had not returned to JRB, Chief Pilot confirmed that he would look. At approximately 15:23, JRB base called CEO Michael Roth advising that they could not locate N216MH, that N216MH was not answering on radio, and that N216MH has not returned to JRB. At approximately 15:26, a New York Helicopter ramp agent received a Citizen notification and when she opened the notification it read helicopter crash. At approximately 15:27, Chief Pilot called JRB base confirming that N216MH was involved in an accident.
