

MEMORANDUM FOR RECORD

Daniel Boggs
Air Safety Investigator
Eastern Region

Date: 6/8/2026
Subject: Glen Florio-pilot interview
NTSB Case Number: ERA26LA228

██████████-pilot was interviewed by telephone.

The pilot stated that they were landing on runway 32 at Fitchburg Municipal Airport (FIT), Fitchburg, Massachusetts. After landing the nose wheel collapsed and they slid to a stop. He stated that he made several different landings that day and there were no mechanical anomalies with the airplane.
