Description of Damage to Aircraft and Other Property *(Use additional sheet if necessary)*

Wings collapsed. Some damage to fuselage.

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

Was departing to the North, downstream, at approximately 5pm. Several airplanes had departed in front of me. Wind appeared calm as takeoff roll was started. After takeoff roll was begun, wind gust came down mountain and from the tail. Wind pushed airplane into trees on right and made airplane very difficult to control. I cut power and airplane landed sideways and came to stop. Was departing for LaGarita.
