(GAAID) General Aviation Accident Investigation Division **June 21ST, 2016**

NTSB Accident Number: GAA16CA313

Aircraft Registration & Make/Model: N20361, Air Tractor/AT-802A

Accident Location: Cairo, IL

Accident Date: 12JUN2016 @ 0745 cdt

Subject: Memorandum for Record

In support of the NTSB accident investigation involving accident airplane N20361 in Cairo, IL, the following is a record of conversation with the Federal Aviation Administration Aviation Safety Inspector that arrived on scene, examined the accident airplane and interviewed witnesses. The conversation was facilitated by the NTSB Air Safety Investigator in charge.

On the date of 15JUN2016, about 1145 pdt, the NTSB Investigator spoke with the FAA Aviation Safety Inspector. The Inspector stated that the pilot of the air tractor executed a takeoff roll, lost directional control of the airplane, and departed the runway to the left. The Inspector reported that the airplane sustained damage to the right wing spar. The Inspector provided the NTSB Investigator with a written statement completed by the pilot. The Inspector also provided the NTSB Investigator with the pilot's (Patrick Amundsen) cell phone number and email address. The NTSB Investigator emailed and called the pilot on multiple occasions and left voicemail messages, to no avail.
