Date: 7/14/2016
Person Contacted: Terry L. Holman (Pilot)
NTSB Accident Number: GAA16CA375

Narrative:

The following is a summary of a conversation that occurred with the pilot in command.

The following is a summary:

- Departed Felts Field Airport, Spokane, WA (KSFF) and had a final destination of Coeur d'Alene Airport, Coeur d'Alene, ID (KCOE).
- En-route, the pilot decided he wanted to do one water landing on a nearby lake.
- The landing gear is a hydraulically actuated system.
- The gear handle is in the up position now, as it sits in the hangar, and the pilot also stated that, "I can't remember everything, it was a violent experience and nose over."
- The pilot stated that the hydraulic system is completely destroyed.
- The pilot stated that the landing gear was down when he touched down in the water.
