Description of Damage to Aircraft and Other Property *(Use additional sheet if necessary)*

Front below the prop pushed in 1-3 inches.

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

After fueling at Massena International Airport I took off for Whitefield, NH airport (KHIE). For some reason I did not utilize my handheld Lowrance GPS. As I got near to N. Conway I began to see a small area of rain. Circled around for awhile, wasted fuel and realized that I had to get down. Didn't see any decent pastures, ran out of fuel and landed in a corn field. I should have landed parallel to the rows. Might have avoided ruining the plane. I'm a very lucky guy! No bruises or scratches.
