NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and and location, services obtained, and intended destination. Provide as much detail as possible.

Mr. Brown departed the from Hendersonville Airport (8NC9) at approximately 1600 local, en-route to his home grass strip located @ [REDACTED] Hendersonville, NC. Mr. Brown attempted to land on his 800' grass airstrip, however he landed long due to gusty winds. Mr. Brown stated that during the landing attempt the wind caught his right wing which lifted his right wheel off the ground. Mr. Brown stated that instead of using proper conventional aircraft and crosswind landing technique to keep the aircraft on the ground he chose to conduct a go around procedure. Mr. Brown stated that on the go around due to the long landing and trees at the end of the runway he had a very high angle of attack in his attempt to clear the trees and wires at the end of the runway. Mr. Brown stated that he was unable to see out of the windscreen due to the high angle of attack. The aircraft struck a tree on the departure end of the airport. After striking the tree the aircraft slid down the tree and clipped 2 power lines which broke and ended up on the ground. The power lines were live and the sparking of the live wires caught the ground on fire. The fire moved across the ground igniting the fabric aircraft, with the fire destroying the aircraft.

Mr. Brown was able to get out of the aircraft with the assistance of his neighbor.

RECOMMENDATION (How could this accident/incident have been prevented?)

Operator/Owner Safety Recommendation

Had Mr. Brown taken the gusty winds into consideration prior to flight on the afternoon of the accident this accident would not have occurred.

Mr. Brown could have tied the aircraft down at his hangar and not flown on such a windy day.
