Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

I was on short final to Rwy 19, lined up with centerline. I added full flaps, and sudden wind changed and added full power, at the time I was less than 20-25' above runway. Left main touched down on runway at left edge and aircraft contacted trees
