Narrative:

The following is a synopsis of the information provided by Mr. Davis in an Email.

To whom it may concern, between 5/25/2017 and 6/26/2017 I witnessed the guy in the gold colored truck crossing in the middle of McCambell Airport runway. He crossed four times with truck and trailer and two times while driving tractor with cutter attached. I also observed the driver of the tractor traveling in excess of safe speed behind T hanger, especially behind E hangers on west side making a blind turn heading east around hanger heading east toward exit gate.
