NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

Both my wife Diane and I landed in Old Forge on 09/20/17, Approx. 11:00 AM and spent the night at the airport. Mid morning we departed on 09/21/17 runway 09, once air born I tried to bring LKP (Lake Placid) on my Advanced Flight System and could not bring it on the EFIS. We returned to Old Forge and landed on 09 runway. My approach speed was 62 mph. We landed and bounded, the second time we hit the runway I had no control. We skidded down the runway and the plane flipped over on it's top. Both Daine and I unbuckled our seat belts and walked away from the plane. I called 911.
