AT APPROX 50 ~~KIAS~~ KIAS

WE ENCOUNTERED A
BOAT WAKE THAT

Got THE AFT
AIRBORN w/ INSUFFICIENT
AIRSPED TO CONTINUE
FLYING. WE CAME

③

Down on the
NEXT SWELL which
popped us up again
which resulted in
the jets coming
down on the third
swell which resulted
in damage to the
left side float
struts. The engine
was quickly started
and the jets was

④

SEALED. ALL PAX
WERE ASSISTED
EXITING THE ACFT
