Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

I had refueled at Premier Aviation, KTUS and Clearance Delivery had cleared me to Rwy21. As it was perpendicular to my position at the FBO, I taxied West to Taxiway Delta, as instructed. Asphalt was very rough and I did not see the taxiway to my left. I also did not see the unmarked drainage ditch immediately in front of me. At a taxi speed under 5kts, I went into the ditch. Damage was limited to the prop and minor damage to the horizontal stabilizer.
