On Tuesday February 13, 2018 at approximately 1028 hours, I, Jesus Barrera with the Matagorda County Sheriff's Office responded to a report of a Helicopter Crash at, [REDACTED], Wadsworth, Texas 77483.

While at the scene with Trooper Mark Kanz, he asked if I could gather some information from the victim at the Matagorda Regional Hospital Emergency Room in Bay City, Texas. At 1234 hours I made contact with victim Christopher Thomas Kelley who was in a trauma room. I asked Mr. Kelley if he could tell me what happened and he said he remembers taking off and then the helicopter was going down. He also stated, " I guess my gun must have gotten into the stick. " I asked Mr. Kelley if something happened to cause the gun to get against the stick and he nodded his head, no,. I asked him if the gun was placed against the stick by accident and he replied," Yes.
