

NTSB RECORD OF CONVERSATION

Eric Swenson
Air Safety Investigator
General Aviation Accident Investigation Division, AS-20

Date: 03/15/2018
Person Contacted: Marty Comstock (Pilot)
NTSB Accident Number: GAA18CA165

Narrative:

The following is a summary of a conversation that occurred with the pilot

- The accident was during a biennial flight review with a flight instructor
- The pilot was familiarizing himself with the airplane and the area
- They had completed 12-13 landings that day
- The CFI felt comfortable with the pilot and swapped seats so that the pilot could fly in the left seat
- The left pilot seat was the only seat that had brakes
- The pilot had his son in the back seat with them during the flight
- The airplane was working the way it should with no preaccident mechanical failures or malfunctions
