

NTSB RECORD OF CONVERSATION

Eric Swenson
Air Safety Investigator
General Aviation Accident Investigation Division, AS-20

Date: 05/29/2018
Person Contacted: Brent Crow (flight safety officer for the operator)
NTSB Accident Number: GAA18CA208

Narrative:

The following is a summary of an email conversation that occurred with the flight safety officer for the operator:

- Since the accident the company has implemented
 - A mandatory ground collision avoidance training video for every new class indoctrination and new hire onboarding
 - Current instructors and internal progress test examiners have been debriefed on parking and ramp safety standard practice
 - The initial flight safety briefing now includes better phrasing in order to eliminate confusion on proper parking techniques off-site from the home base.
