Description of Damage to Aircraft and Other Property *(Use additional sheet if necessary)*

No property damage. Right wing came off aircraft and landing gear folded. Prop damage.

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

"After lining up for Rwy 17, full power was applied. At rotation speed, the aircraft was rotated, at which a time violent gust caught the Port wing causing the aircraft to move off center line. Whilst attempting to recover, the Starboard wing made contact with the grass to the right of runway causing the nose of the aircraft to lurch forward, resulting in a prop strike and gear collapse, after which the aircraft came to abrupt halt. There were no injuries."
