Description of Damage to Aircraft and Other Property *(Use additional sheet if necessary)*

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

In my Cessna 310 I departed PXE at 7:50 pm on April 29, 2018, with my wife Ashley Zoltak. After flying on a VFR flight plane toward Fort Lauderdale Executive, I decided to deviate to Gainesville Executive Airport (GNV) at around 9:30 pm in order to land. After establishing a final for runway 11 and speaking with tower I struck a pine tree in mid-air. I immediately reacted by pitching up and adding full power the plane yawed hard to the left. After escaping the trees I turned back about 30 degrees to the right and made an emergency landing on 11. I was told this morning that the airport removed a 6ft limb from the runway this morning April 30, 2018. I then taxi the plane to University Air Center FBO where the plane is parked currently on the ramp. Please let me know if you have any other questions.
