NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

Monday, April 30, landing on runway 5 at North Little Rock, AR, at approximately 4:00 p.m., my right prop touched the runway. Did not know at the time. My door came open, Barrett aviation told me to taxi over and they would look at it. That is when we discovered the prop was bent. I notified NTSB on May 1 and talked to Jennifer. I am waiting on the results of the damage. There were no injuries.
