

RECORD OF CONVERSATION

Eleazar Nepomuceno
Air Safety Investigator
General Aviation Accident Division

Date: 6/22/2018
Person Contacted: Edward Dabrowski (FAA)
NTSB Accident Number: GAA18CA354

Narrative:

During a telephone conversation with Edward Dabrowski, the FAA inspector, stated that, during the instructional flight, the intercom and radio failed. The flight instructor returned to the airport and was provided a green light from the tower to land. The airplane touched down with a higher than normal speed, ballooned, touched down again with a drift then ground looped. The airplane's rear left spar was damaged.
