

MEMORANDUM FOR RECORD

Michael Hicks

Air Safety Investigator

(GAAID) General Aviation Accident Investigation Division December 11th 2018

NTSB Accident Number: GAA18CA455

Aircraft Registration & Make/Model: N1902V, Cessna, 140

Accident Location: Healdsburg, CA @ (HES)

Accident Date: 26JUL2018 @ 1100 (PDT)

Subject: Memorandum for Record (Inspector Jensen)

In support of the NTSB Air Safety Accident Investigation involving accident airplane N1902V, the NTSB Investigator-in-charge (IIC) contacted the FAA Airworthiness Inspector assigned to the accident. The inspector reported that no anomalies with the brake system could be observed. The brake system was examined and there were no indications of a malfunction.
